

SUBJECT: NCMA GLOBAL CONTRACTING AWARD

PURPOSE: The NCMA Global Contracting Award is established to recognize those contracting professionals who have contributed significantly to acquisition operations or acquisition policy. The award was initially established with the efforts of ESI International.

SCOPE: The award will be presented to an individual who has made noteworthy contributions to acquisition operations including extraordinary business leadership or team participation in the design, development or execution of an acquisition program, project or contract that furthers an agency mission or company's business. Such contributions also include performance of any single task that merits special recognition because of its contribution to meeting an acquisition's cost, schedule and performance goals. Noteworthy contributions to acquisition policy include the development of a management policy, regulation, data system or other task that significantly enhances the economy, efficiency and effectiveness of an agency or company's acquisition system. The contribution can have a global impact on the acquisition system.

AWARD: The recipient will receive:

- A plaque with the following inscription:
